

The Ultimate in Performance

Corporate Profile

Investor Overview

QLogic is a global leader and technology innovator in high performance networking, delivering adapters, switches, routers and ASICs that power today's data, storage and server networks for leading Global 2000 corporations. The company delivers a broad range and diverse portfolio of networking products that include Converged Network Adapters for the emerging Fibre Channel over Ethernet (FCoE) market, Ethernet adapters, Fibre Channel adapters and switches and iSCSI adapters and routers. QLogic products are powering solutions from today's leading technology providers such as Cisco, Dell, EMC, HP, IBM, NetApp and Oracle, and are delivered to small-to-medium sized businesses and large enterprises globally through a comprehensive network of channel partners.
